

2024 CANADA DEAF GAMES

EVENT INFORMATION

DID YOU KNOW

Silent Voice is hosting Canada Deaf Games (CDG) in Toronto in May 2024 for an estimated 500 athletes and coaching staff from across Canada through eight (8) sports disciplines. CDG '24 is endorsed by the Ontario Deaf Sports Association and sanctioned by the Canada Deaf Sports Association. CDG is hosted biennially, and this is the first time Ontario, TORONTO, is hosting the Games.

Inclusive, accessible in four languages (English, French, ASL, and LSQ), and barrier-free (no communication barriers, financial barriers, in an anti-oppression landscape).

In Canada, there are many signed languages used: American Sign Language, la langue des signes québécoise, Indigenous and Inuit signed languages, and dialects such as Maritime Sign Language.

ASL is not a universal language. There are hundreds of signed languages used in the world.

CDG lead to the Deaflympics, which started in 1924 and are recognized by the International Olympic Committee (IOC). A long history of Deaf sports globally.

Approximately 93% of Deaf babies are born to hearing parents.

Did you know that around 70% of Deaf kids experience language deprivation and information deprivation that continues into adulthood.

At most 40% of families with a signing Deaf child learn and use sign language in their homes.

The isolation Deaf kids and youth experience has never been as severe as during the pandemic.

Sports is one of the critical activities that have been suspended for 2020, 2021, and some of 2022.

1,200 Followers

Biggest demographic following us are people between the ages of 25-34, with approximately 40 new followers per month.

Mayfest, the biggest celebration of Deaf people in Canada, hosted annually by the Ontario Association of the Deaf, in Toronto, engages over 3,000 community members over two days. In 2024, Mayfest and CDG will tag team. More athletes, and more fans, will be able to participate in both huge events, making Toronto the place to be!

Biggest demographic following us on FB are people between the ages of 35-44.

Silent Voice has been serving the Deaf community since 1975 with diverse and innovative outreach and programming, from summer camp and interpreting services to a full spectrum of services: American Sign Language (ASL) language development services of the Ontario Infant Hearing Program; Community and Settlement Services; Children and Youth programming; and ASL resource development and e-learning. One of our most successful innovations is our Sports Program, established in 2006 when a group of high school students asked us to host flag football for them during their March Break. Today, our sports program engages over 500 children, youth, adults, and mentors each year.

We host clinics and tournaments with world-class Deaf athletes, coaches, and mentors, who welcome Deaf and Hard of Hearing kids and youth to barrier-free sport, in sign language! Some participants have gained the skills to compete nationally and internationally.
